### What's New

#### Virtual Reality in Division 2!

Division 2 students (Grades 4-6) had a blast testing Virtual Reality headsets this week! Whether "exploding" the moon to study its layers or dodging dinosaurs in ancient ecosystems, the learning was truly immersive. Be sure to ask your child about their adventure! A big thanks to Mrs. Cable for piloting this exciting technology.

#### Family Movie Night & Pizza Orders

Join us for Family Movie Night on Thursday, January 29th! We look forward to an evening of community, fun, and prizes. The ELES Fundraising Society is pre-selling pizza on your child's PowerSchool account, so please ensure your orders are submitted by this Friday, January 23rd.

#### Floor Hockey Update

Floor Hockey season is here! Tryouts for Grade 3/4 teams have begun, with Grade 5/6 tryouts following later this month. Please review the commitment forms carefully; to ensure fairness, students should only try out if they are available for the required tournament dates.

#### Winter Weather, Recess & Skating

This week brought us some wild weather, from high winds to icy surfaces, which even required an indoor recess due to the slippery conditions.

- *Dressing for the Weather.* Caregivers are reminded to check the daily forecast and ensure children are dressed for the conditions. We aim to get outside for fresh air whenever possible!
- *Outdoor Rink (ODR):* Although skating was scheduled to begin this week, the unseasonably warm weather kept the rink closed.
  - Please check the City of Leduc Outdoor Ice Surfaces website for the status of the ice before sending students to school with skates.
  - <https://www.leduc.ca/community/parks-recreation/outdoor-facilities/outdoor-ice-surfaces>

**Skating Reminders:** When the rink is open, students must meet the following requirements to participate:

1. Be able to tie their own skates.
2. Be dressed appropriately for the cold.
3. Have a CSA-approved helmet.

**Have a wonderful weekend, Lions!**
