

Creating a PowerSchool Parent/Guardian Access Account

1. Open your web browser and go to cps.blackgold.ca. Once there, click on the Create Account tab of the log in screen and then click on the **Create Account**.

2. When the **Create Parent Account** screen opens, complete all fields at the top of the screen. The username and password you enter here will be the username and password that you will use from this point forward to login to PowerSchool. Create a username and password that you will be able to easily remember, but is also secure. We recommend your *firstname.lastname* as a user name. As a general rule, your password should include a mix of upper and lowercase letters and also include numbers and/or special characters.

The image shows a screenshot of the 'Create Parent Account' form on the PowerSchool website. The form has a light blue background and a dark blue header with the 'PowerSchool' logo. The form fields are: 'First Name' (Yogi), 'Last Name' (Bear), 'Email' (yogi@hotmail.com), 'Desired Username' (yogi.bear), 'Password' (masked with dots), and 'Re-enter Password' (masked with dots). A green box labeled 'Strongest' is positioned to the right of the password field. A red rectangular box highlights the 'First Name', 'Last Name', 'Email', and 'Desired Username' fields. Below the form, there is a note: 'Password must: •Be at least 6 characters long'.

3. Using the credentials that you received on your PowerSchool Parents letter(s), enter the Student Name, Access ID, and Access Password exactly as they appear at the bottom of the letter and choose your Relationship to the student from the drop-down list. Add additional student information as appropriate from each of your PowerSchool parent letters. You may enter up to 7 students on this screen.

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

1

Student Name	Baby Bear
Access ID	AUX96T3E
Access Password	*****
Relationship	Father

4. **IMPORTANT:** Once you have completed the form, scroll down to the bottom of the page and click on the Enter button.

7

Student Name	<input type="text"/>
Access ID	<input type="text"/>
Access Password	<input type="password"/>
Relationship	-- Choose

Enter

5. After the information has been submitted, you will be returned to the PowerSchool login screen where you will enter the username and password you created in step 3. Click on the **Sign In** button to enter the PowerSchool portal.
